***Take back your youthful vitality,  
embrace your InnerChi.***

**InnerChi**<sup>®</sup> is a uniquely powerful formula specifically designed for adult women's health, by providing intensive support for hair, skin, nails, and successful weight management programs.\*

This powerful supplement has been formulated for producing unprecedented and powerful support in adults' health. With a premium blend of incredibly powerful ingredients, **InnerChi** is specifically designed to support your body's fight against symptoms due to aging and hormonal imbalances.

**InnerChi** contains an exceptional and unique extract, Equol, that provides substantial nutritional support for healthy hair, skin, nails and eyelashes. It also aids in metabolic syndrome for rapid weight loss support and provides unique benefits for pre, and post-menopausal symptoms in women. Norwegian Spruce Lignans Fomononetin and Daidzein promote healthy hormonal balance reflecting in mood, mind and body.

Its Equol and Norwegian Spruce Lignans component supports healthy hair, younger looking skin, nails and eyelashes, provides weight loss support, and unique support for pre- and post- menopausal symptoms.
