From Nature's doorstep to yours, enjoy the clean, refreshing feeling of Cucumber Lime Liquid Hand Wash.

BENEFITS BEHIND THE INGREDIENTS

Colloidal Silver — Top Benefits

- **Anti-bacterial:** Effective at eliminating bacterial infections and resisting strains of bacteria
- **Wound Care/Skin Health:** Can help treat burns, thrush, periodontitis, and skin conditions.
- **Pink Eye/Ear Infections:** Fights viral or bacterial pink eye. Helps heal ear infections, even if fungal.
- **Anti-viral:** Benefits can be experienced as an anti-viral for HIV/AIDS, herpes, shingles, & warts.
- **Anti-inflammatory:** Works fast to reduce swelling and repair inflammation on the skin and in the body.
- **Sinusitis:** Can benefit as a nasal spray that kills infections that can cause sinusitis & allergies.
- **Cold/Flu:** Can help with fast recovery from common cold/flu with immune-boosting benefits.
- **Pneumonia:** Can succeed over antibiotics in holding up against viral strands of pneumonia.

Monolaurin — Top Benefits

- **Anti-bacterial:** Effective against a range of bacteria including antibiotic-resistant bacteria.
- **Anti-viral:** Has been shown to inhibit several lipid-coated viruses that affect humans and animals.
- **Anti-fungal:** Possibly best known for its antifungal effects, has been shown to fight fungal infections.
- **Many Uses:** Helps fight against acne, colds, cold sores, flu, herpes, and shingles.
