

InnerChi for Him

Equal Support for him

Specifically Formulated to Support The Fight Against Male Biological Effects of Aging

InnerChi® for Him offers breakthrough support in Men's Health in ways never thought possible. With a uniquely refined supplemental blend, **InnerChi for Him** is specifically formulated to support the fight against symptoms of potential age-related, chemical imbalances and andropause. Scientifically supported ingredients include Norway Spruce Lignan, Beta-Sitosterol and Equol.

Lignans aid in the fight to maintain the masculine youthful appearance of vibrant hair and provides robust nutritional support to muscles for a vigorous feeling of youthfulness and virility. Beta-Sitosterol supports flow, pressure and nutrient issues in supporting normal prostate health while combating the look of thin hair, aging skin and libido concerns.

Equol combats DHT effects on hair shaft damage from unsightly breakage and hair loss. This sustenance helps maintain spectacular prostate health, a healthy heart, normal testosterone levels, and healthy vision. **InnerChi for Him** is a power packed supplement with ultra-intensive support helping to greatly enhance and balance your manly life and lifestyle. Fight off the signs of age-related issues and changes with **InnerChi For Him**.

InnerChi For Him is a powerful supplement that will bring intensive support and help enhance your life.
